Re: NOTICE TO RESIDENTS - MAIN STREET AREA NEAR SCHOOL NO. 3

Neighbor:

We want to sincerely apologize for the lack of notice regarding the ongoing roadwork along Main Street in the area of School No. 3. Unfortunately, there was a major miscommunication between the lead contractor and the paving company regarding the distribution of resident notifications. We understand the inconvenience this has caused and truly appreciate your patience and understanding as we complete this important paving project.

Please be advised that the milling operation will continue tomorrow. Please also note that access to School No. 3 during student drop-off hours will be maintained to ensure a safe and smooth process for parents and students. Residents will also be permitted to enter and exit their driveways as needed during milling operations, although minor delays may exist.

Please note that paving is scheduled to take place on **Thursday and Friday between 7:00 AM and 5:00 PM**. During these hours, access to your homes will be temporarily restricted while paving takes place directly in front of your property. Once the new pavement has been laid and cooled, access will be restored.

If you anticipate needing to travel during those hours, we strongly encourage you to **remove your vehicles from your driveways prior to 7:00 AM** on paving days to avoid being blocked in.

We sincerely appreciate your cooperation and patience as we complete these necessary improvements to our roadways. We are working closely with the contractors to ensure better communication for all future projects.

Very truly yours,

JAMES BELFORD DAMIANO  
Mayor, Township of Little Falls
